Application for a Travel Grant Support for international conference trips for postdocs

I. Purpose of the funding

As part of its institutional strategy LMUexcellent, LMU Munich provides funding specifically aimed at the promotion of early-career researchers. In particular, LMU seeks to improve the career development prospects of early-career researchers: To this end, the University supports their academic networking by funding the participation in international conferences.

The call is directed at all postdoctoral researchers of LMU who have gained no more than three years of professional academic experience since having completed their doctorate. LMU fosters a culture of internationality, diversity and equality of opportunity and therefore strongly encourages all postdoctoral researchers to apply.

II. Funding scope

LMU provides travel grants for the participation in international conferences and workshops with a poster, talk or accepted paper (travel and accommodation expenses, conference fees). Individual applicants may apply for funding for one conference trip per calendar year. The actual costs of the conference trip will be reimbursed to the maximum amount of **€ 5.000**.

III. Application

Applications may be submitted in German or English on a continuous basis (at the latest by September 30, 2017). All applications must be submitted via the Dean of the respective faculty (by email to excellent@lmu.de) and include an email by the respective chair/research group leader confirming his/her approval of the trip.

Please include the following information in your application (one PDF file):

- Short summary of the conference contribution
- Confirmation of acceptance of the poster, talk or paper
- General cost estimate
- CV of the applicant
- Doctoral degree certificate

IV. Selection procedure

The University Governing Board will decide on the approval of the submitted applications.
